

Master Alterations Workshop

Michael's Tailoring, 50 Main Street, East Hartford, CT
May 17 & 18, 2025 from 9:00 am to 5:00 pm

Skip your next trip to the tailor shop! Join me and master tailor, Shoran Graham, for a two-day workshop designed to show you how to save money and fix your own garments.

Gather up all your beloved garment that need to be altered and bring them with you to this fun workshop. We'll spend two days taking a deep dive in to how to fix your clothes. Whether you need to take things in or let them out, shorten lined sleeves with a vent or hem a pair of dress pants, we've got you covered.

The best part is that you'll see how to fix things you didn't bring with you. This class is limited to 6 students so we have time to give everyone personal attention AND you'll have time to see what everyone else is working on too!

If you are driving to this workshop, I will send you directions after registration. If you would like to stay at a local hotel, Here's a link to Comfort Inn & Suites East Hartford <https://bit.ly/3Pqsfa4>

If you are flying in to Bradley International Airport, you can make a reservation at The Holiday Inn Express. This hotel has a free airport shuttle.. and we'll come and pick you up and drop you back at the hotel.
